

## EDUCATIONAL EXAMINERS BOARD[282]

## Adopted and Filed

Pursuant to the authority of Iowa Code section 272.2, the Board of Educational Examiners hereby amends Chapter 18, “Issuance of Administrator Licenses and Endorsements,” Iowa Administrative Code.

This amendment updates and removes obsolete language. The Board does not offer an exchange license for those applicants completing their administrative program out of state who have deficiencies. In addition, language in subrules 18.7(3) and 18.7(4) pertaining to teacher preparation has been stricken or revised because it is not required in the administrator preparation rule.

Notice of Intended Action was published in the Iowa Administrative Bulletin on November 3, 2010, as **ARC 9200B**. A public hearing on the amendment was held on Wednesday, November 24, 2010. No one attended the public hearing, and no written comments were received. One minor change from the Notice has been made. The word “licensure” was changed to “license” in subrule 18.7(5).

This amendment is intended to implement Iowa Code chapter 272.

This amendment will become effective March 30, 2011.

The following amendment is adopted.

Amend rule 282—18.7(272) as follows:

**282—18.7(272) Specific requirements for a Class A license.** A nonrenewable Class A license valid for one year may be issued to an individual applicant who has completed an administrator preparation program under any one of the following conditions:

To obtain the desired license, the applicant must complete recent credits and, where recent credits are required, these credits shall be taken in professional education or in the applicant’s endorsement area(s).~~

This license shall be endorsed for the type of service authorized by the expired license on which it is based.

**18.7(6) Conversion.** Each applicant receiving the one-year Class A license must complete any identified licensure deficiencies in order to be eligible for a professional administrator license in Iowa.
